NOW THAT CHILLINGWORTH HAS MAY MAKE HIM DELEGATE.

Senator-elect C. F. Chillingworth may be the next Delegate to Congress That is the way several of the leadlug men of the Republican party this morning figures. It is made with the understanding that Kuho is not to seek another term in Congress. Chillingworth has been elected Senator and in another two years he may be ready to be nominated and elected Delegate. It will of course depend largely upon amined first. the showing that he makes as a Sen-

Chillingworth can control to a large extent the vote of the Hawalians, it is thought, and if Kuhio should not desire another term as he is quoted as saying, Chillingworth would be the strongest man who could be put up by the Republicans and he will probably be nominated.

However two years is a long time and it depends much upon the conditions then, and how Chillingworth conducts himself in the meantime.

POLICE COURT CHOWD EXPECT ED SHERIPP-SLIGHT TO TAKE OFFICE TODAY

When police court convened this morning some two hundred Hawalians were gathered in the auditorium.

"Wherefore this generous assemblagof an audience?" inquired Judge Whitney, adjusting his glasses. There's nothing very attractive on the docket.

They are here in expectation of Curtis lauken being installed this morning is Sheriff," repited James H. Boyd. The judge haughed, the surnal for everybody laughting.

This was indeed the fact, strange as t may seem. A large number of Havallans had come to the court specially to witness the inauguration of lauken as Sheriff. They know nothing of the fact that the new sheriff comes in lanuary 1. As they entered the house of findice they inquired of people as the portal the way to the court room and some of them on being asked as a their business there declared that bey had come to see lanker and Jareti installed as sheriff and deputy. A few had loss which they intended for he needs of the just elected gentlemer

Peter Davis, a gentleman of the South was up before Judge Whitney for slugging a friend, by the name of Milia in the eye. Miha wase called. Miha stated that he was promenading one o the principal thoroughfaces of the city when Davis approached and attached to him an epithet and, almost simultaneously, struck him in the eye. Judge Whitney thought the game was worth 5 and an additional \$3 for expenses of

This bluff did not go and Peter was escorted behind the rall.

One J. A. Arcia was called before the bench on a charge of assault and Battery on a lady bearing the same surname, with Minnie as a prefix. Minme is a moset respectable looking girl and it was difficult to imagine how the defendant could have laid his hands upon her in any manner except that of effection. Nevertheless the lady testified that he had come home late recently and applied his fists to her body "He pounded me in the spine, Judge," she told the court and His Honor thought that a succession of thumps on the spine was worth at least \$10 with the usual accessories. And it was so
